

**Jul 13: Rath Yatra:** CI 8 performed a skit showing the famous story of why the Rathayatra takes place and its importance.

**Scouts:** As a part of the scouts activity the students learnt how to repair a cycle. A demonstration of oiling, greasing, and repairing a puncture was given to them. They were shown how to maintain the various parts like chain, seat and handle.

**Visits:**

**CI 5: Radio Mirchi:** The students had an amazing experience of going to Radio Mirchi and seeing how a DJ performs live, how the system and the various departments work.

**CI 7: Sarkhej Roja:** The students saw the most unique and elegant architectural complexes of Ahmedabad. The students were amazed to see the abundant use of pierced stone trellises. There was a combination of Jain, Persian and Islamic cultures in this monument.

**CI 6: Sola Bhagwat Vidyapeeth:** This system of education which gives emphasis to Gurukul and Vedas was appreciated by our students. They got the opportunity to interact with Sanskrit Scholars and this experience was enriching.

**CI 8: Krishna Heart Institute:** The students were briefed about the various departments in the hospital for eg the sterile section, the laboratory and medicine department. The functioning of these departments was explained to them along with the facilities available for cardiac surgeries and knee replacements. The students were happy to see that cleanliness was maintained.

**S E N I O R S C H O O L**

• CI 9 and 10 attended a seminar on a career in mass communication on July 7 by Prakshal and Wricha Johari from "WAY" an NGO on mass communication. They talked about various prospects after obtaining a Masters in Mass communication and how they followed their passion to start their own NGO.

**Comments:**

- They talked to us about their interest in the field of environment and the way they struggled to reach this position.  
- Jay Bhrahmbhatt

- Till there are organization like WAY, mother nature will always have a big smile on her face.  
- Aaditya Saraiya

- Always do what has inspired you and work hard to achieve it.  
- Barkha Bhojak

- They had a dream and they worked hard to achieve it, thus inspired us to make our own path and do everything with a passion.  
- Meet Jetly

- In life they chose to serve the environment as it was close to their heart. Both of them inspired us and was nice to know that when you want to do something, you can do it any how.  
- Shraddha Shah

- The fact that we relate to everything in and around us gave us a sense of responsibility.  
- Ashini Patel
